

# GRAND HD CINEMA

## (USB To HDMI TV Converter)

## 1. INTRODUCTION

Grand is pleased to introduce the world's first USB to HDMI converter. The Grand HD Cinema brings much convenience by allowing customers to play media files stored in PC on big screen by converting USB input into HDMI. Simply connect the USB interface of PC to the converter using the included USB cable, and connect it to your home theatre system with a HDMI cable, then you can enjoy the high quality pictures (resolution up to 720p) and sound on your big screen.

The Grand HD Cinema is an easy way to enjoy cinema-quality movies at your home.

## 2. CONNECTION
